Accessing Support Services and Dealer Resources

5 Steps

STEP 1

Click on Customer Support

STEP 2

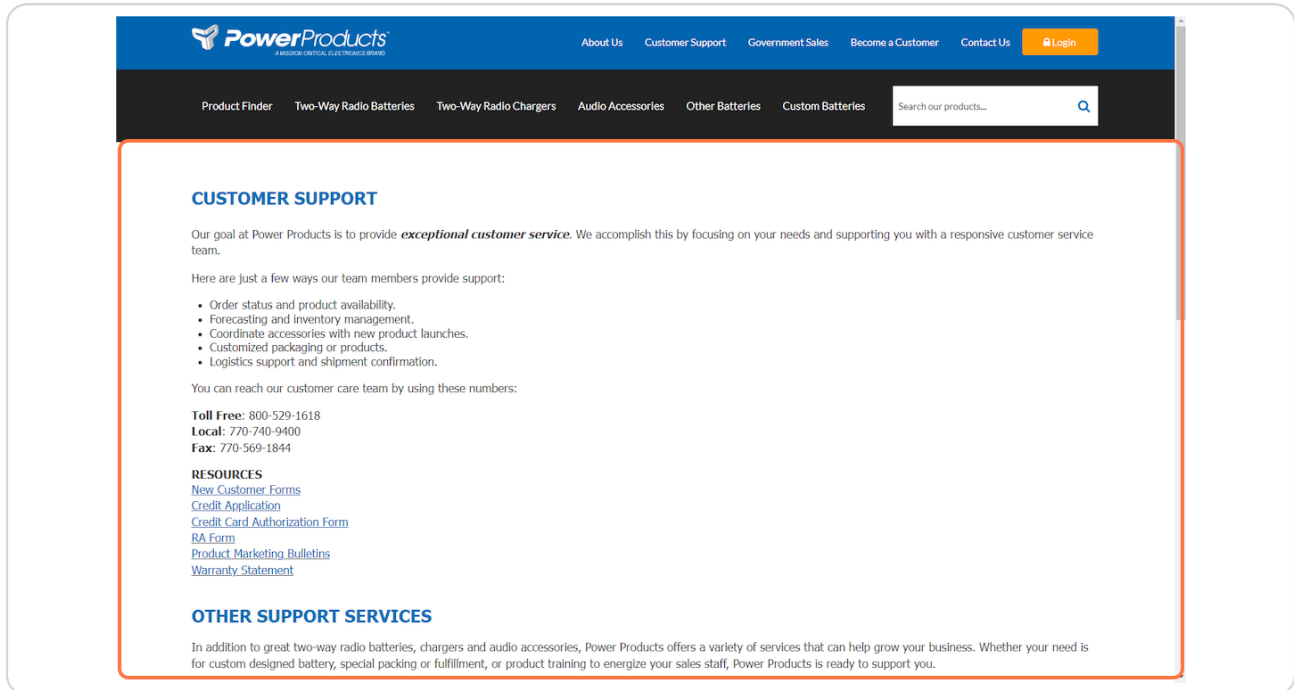

This will take you to the Customer Support information page

Here you can find:

Contact information for the Customer Care team

Resource Forms

Additional Support Services

The screenshot shows the PowerProducts website's Customer Support page. The page has a blue header with the PowerProducts logo and navigation links: About Us, Customer Support, Government Sales, Become a Customer, Contact Us, and a Login button. Below the header is a dark navigation bar with links for Product Finder, Two-Way Radio Batteries, Two-Way Radio Chargers, Audio Accessories, Other Batteries, and Custom Batteries, along with a search bar. The main content area is titled "CUSTOMER SUPPORT" and contains the following text:

Our goal at Power Products is to provide **exceptional customer service**. We accomplish this by focusing on your needs and supporting you with a responsive customer service team.

Here are just a few ways our team members provide support:

- Order status and product availability.
- Forecasting and inventory management.
- Coordinate accessories with new product launches.
- Customized packaging or products.
- Logistics support and shipment confirmation.

You can reach our customer care team by using these numbers:

Toll Free: 800-529-1618
Local: 770-740-9400
Fax: 770-569-1844

OTHER SUPPORT SERVICES

In addition to great two-way radio batteries, chargers and audio accessories, Power Products offers a variety of services that can help grow your business. Whether your need is for custom designed battery, special packing or fulfillment, or product training to energize your sales staff, Power Products is ready to support you.

MARKETING
Power Products can support you with a variety of marketing tools and is ready to assist with product shots, copy, or creative ideas.

CUSTOM LABELS
With a well-trained staff and state-of-the-art printing equipment, Power Products can supply custom labels for two-way radio batteries and select audio accessories. Our process is highly flexible, allowing us to prepare label quantities from 1 to 100,000. [LEARN MORE](#)

TRAINING
We know from experience that a knowledgeable sales staff will sell more. That's why we offer a training program that gives your salespersons the information they need to be more effective selling two-way radio batteries, chargers and audio accessories.

FULFILLMENT
Power Products employs a highly automated order processing system, which enables us to quickly process and ship large or small orders. While continually striving to improve efficiency, we remain committed to supporting your specific fulfillment needs. Services we provide include:

1. Palletized warehouse shipments.
2. Drop ship to individual locations (minimums may apply).
3. Custom packing for inner and master cartons.
4. Bulk or retail packaging.
5. Domestic or international shipping.

Are you a Dealer?

We provide our current dealers with direct access to our [Dealer Resource Portal](#) where you will find marketing materials, product specification documents, product photos and more. To receive access to the portal, please contact [marketing](#) for assistance.

STEP 4

For dealer resources, either contact marketing for assistance or follow the Dealer Resource link in the footer of the webpage

[Request Username](#)
[Request Password Reset](#)

STEP 4

To search for products, hover over the Product Finder dropdown menu

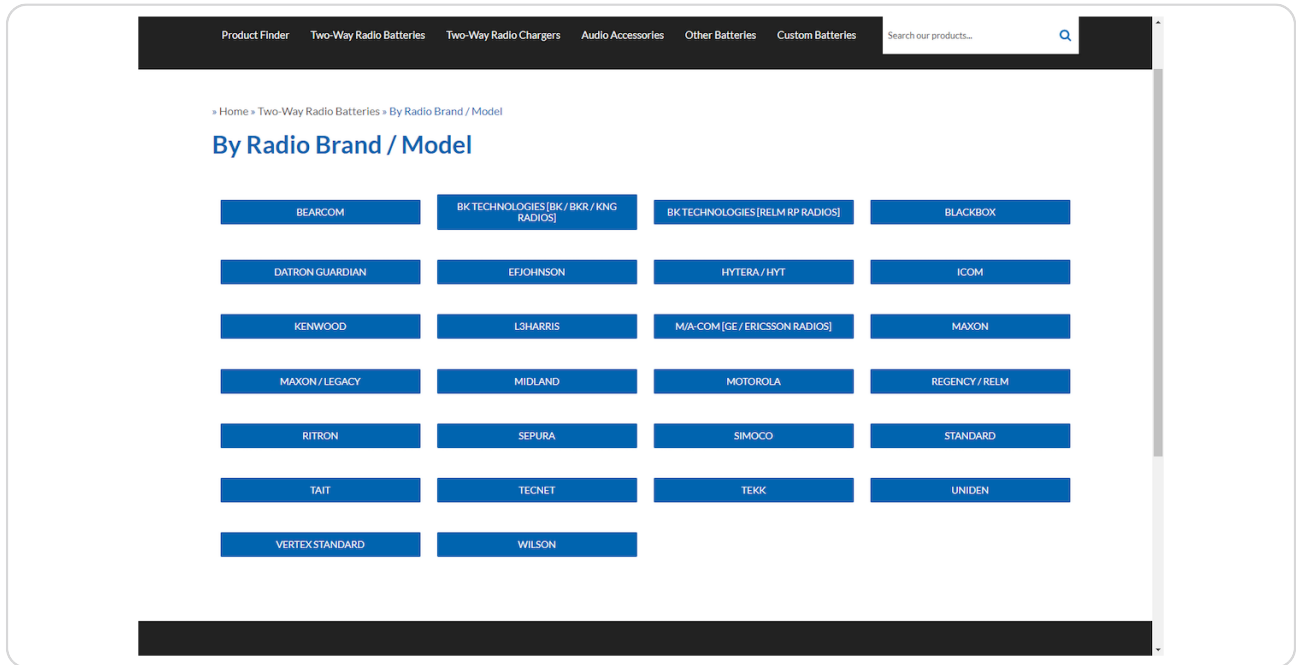

STEP 5

If you want to search for batteries and charger accessories for a specific radio, click on By Radio Brand / Model

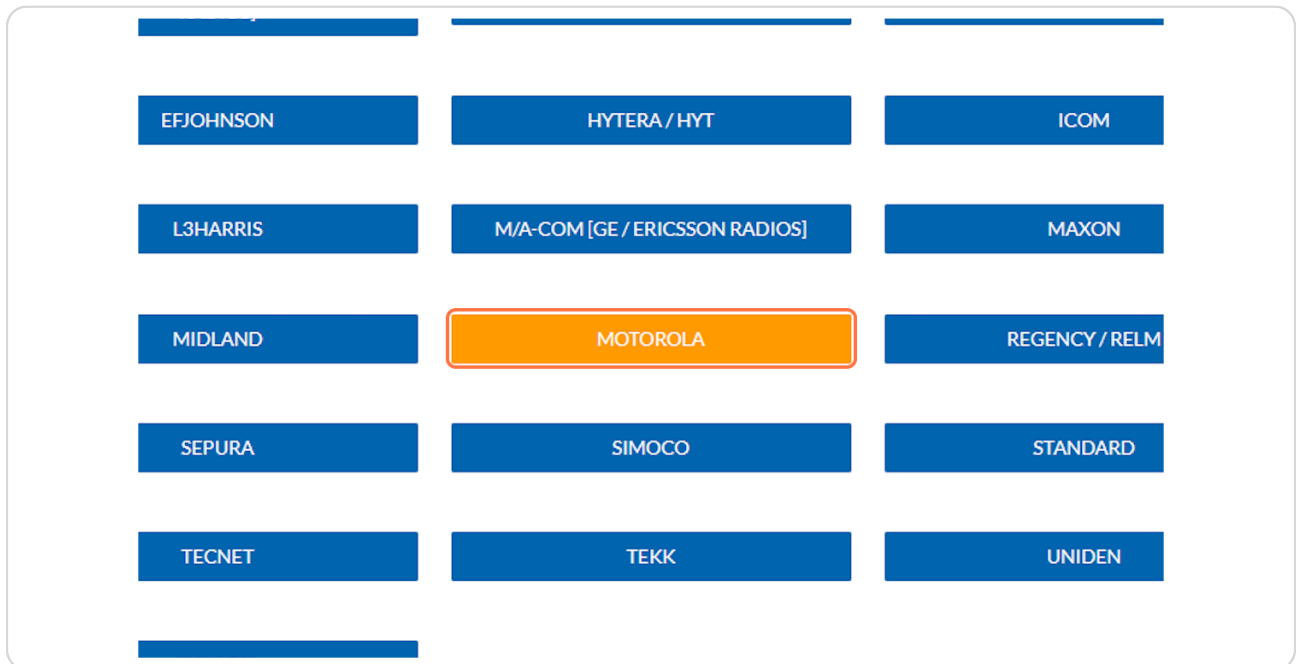

STEP 6

By Radio Brand / Model

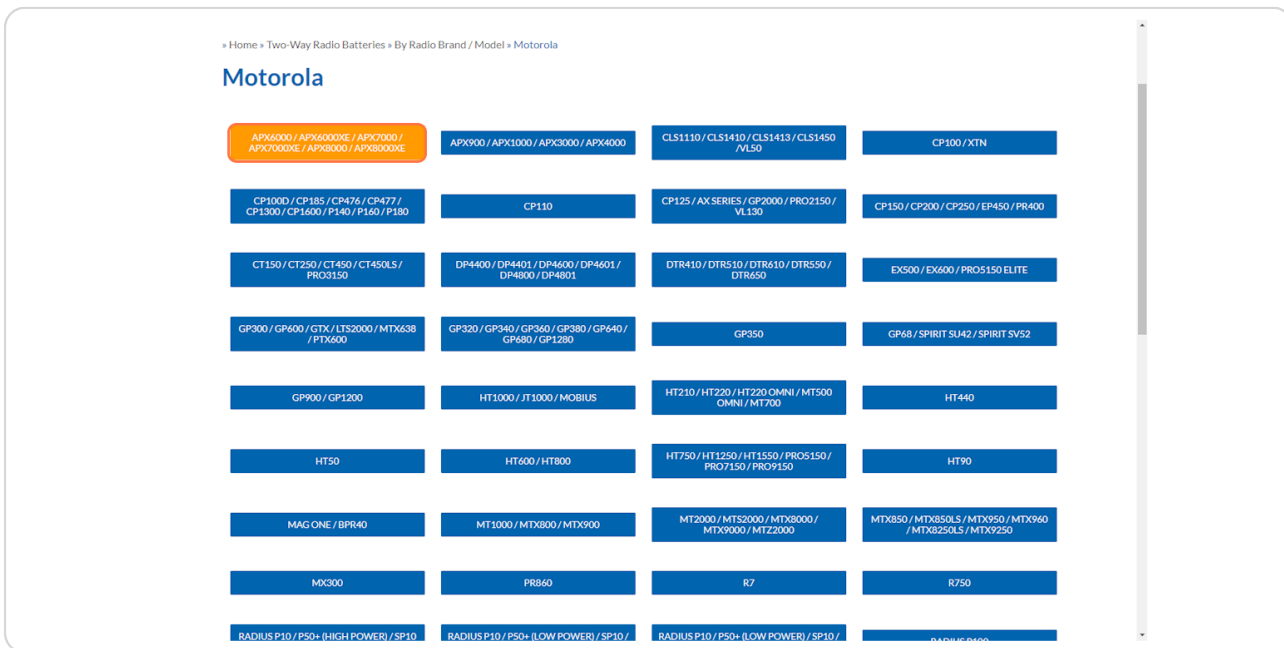

STEP 7

If you are looking for APX8000 batteries and chargers, Click on MOTOROLA

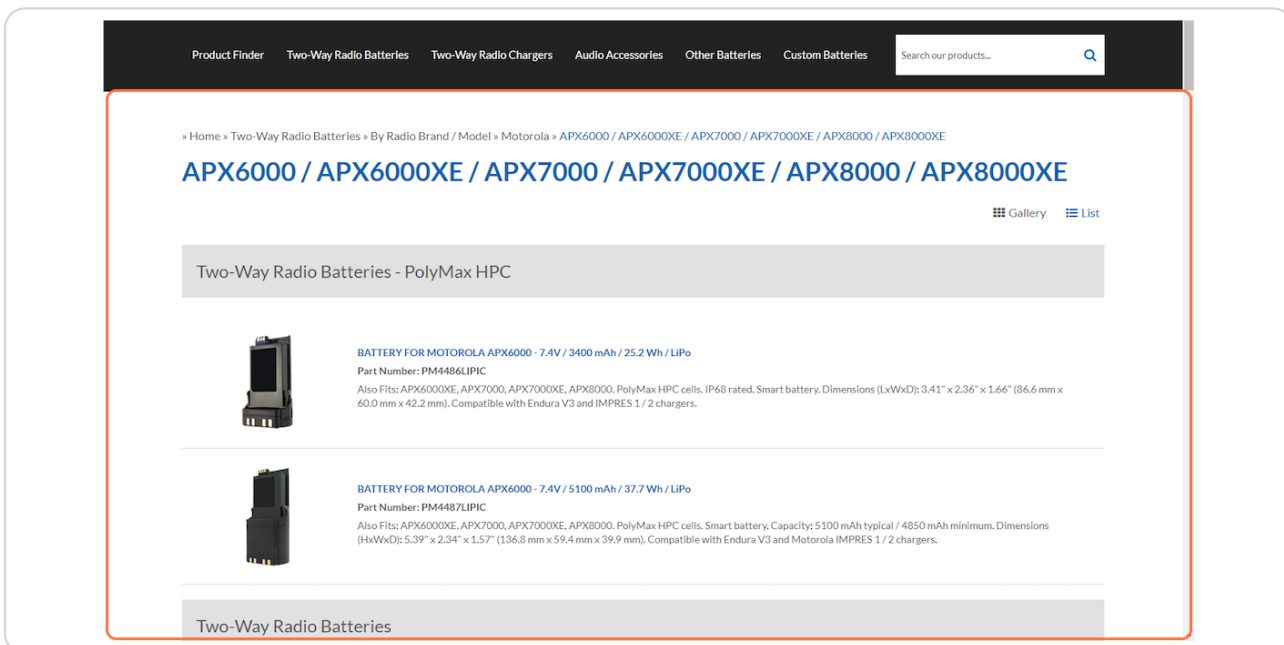

STEP 8

Click on APX6000 / APX6000XE / APX7000 / APX7000XE / APX8000 / APX8000XE

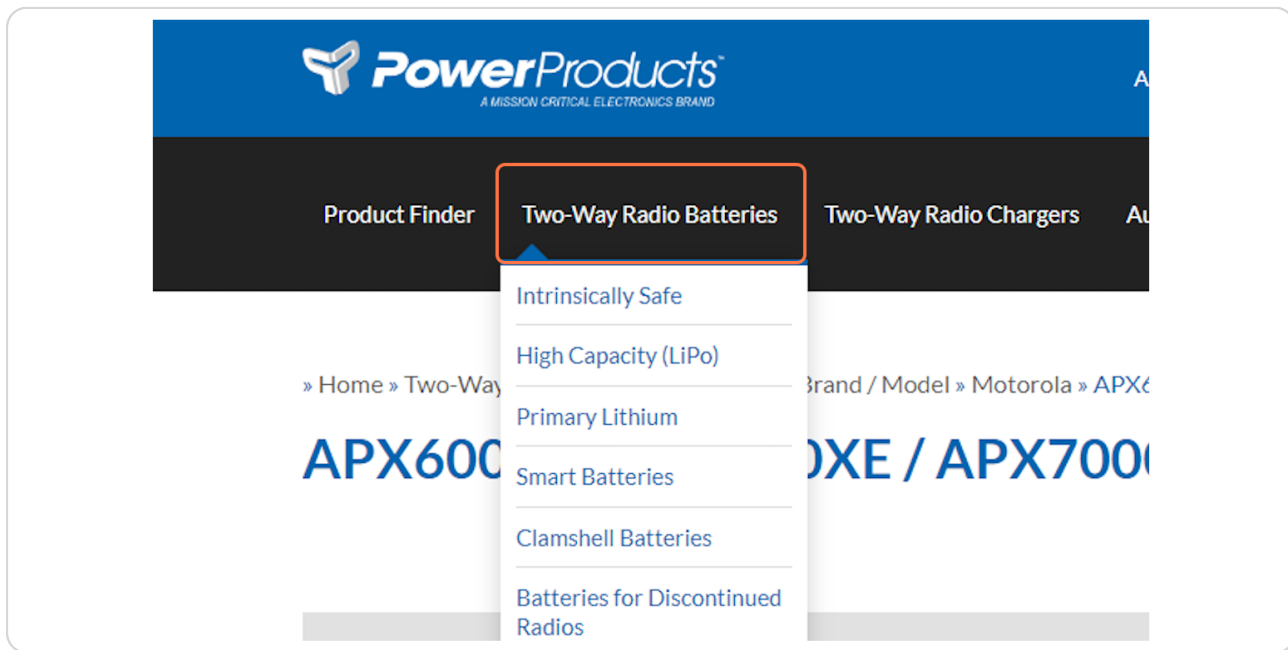

STEP 9

You should see all the available batteries and chargers for that specific radio

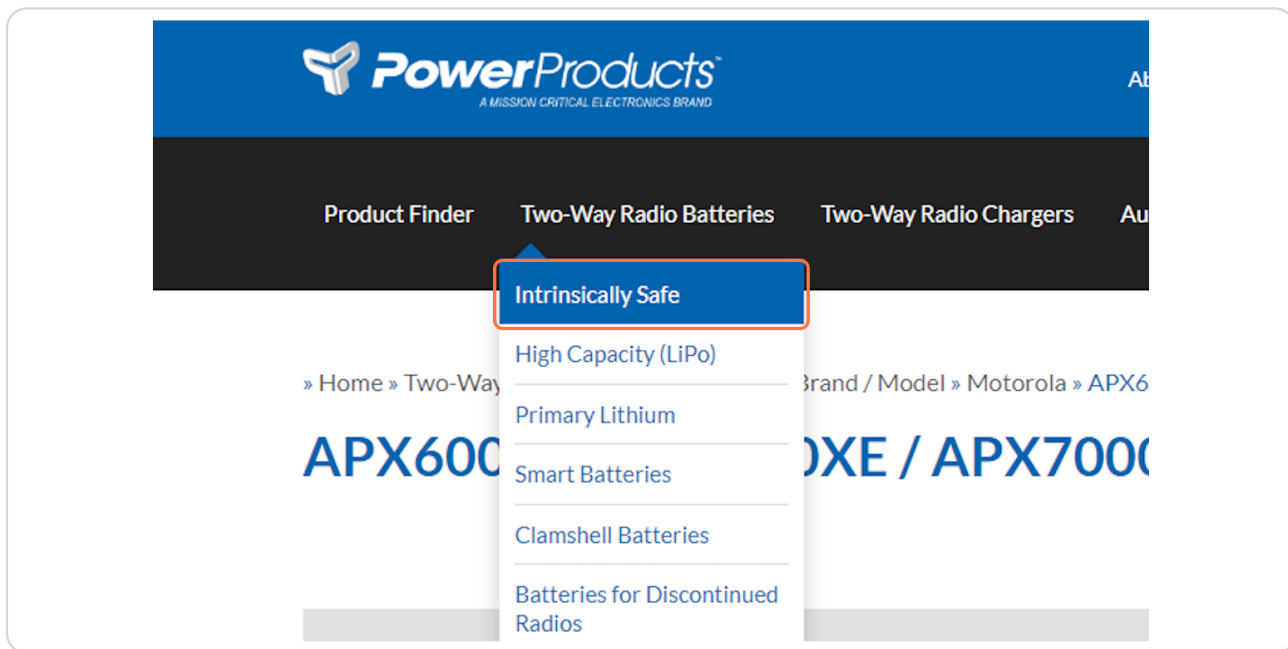

STEP 10

Alternatively, you can search for batteries by type from the Two-Way Radio Batteries drop-down menu

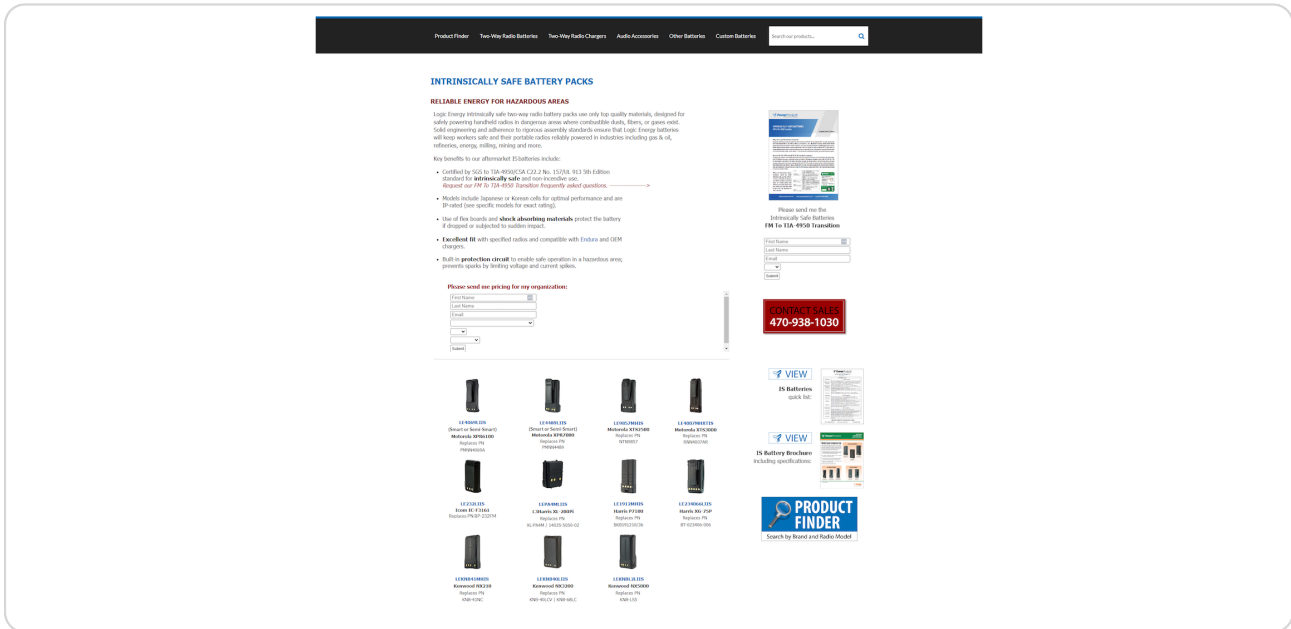

STEP 11

Click on Intrinsically Safe

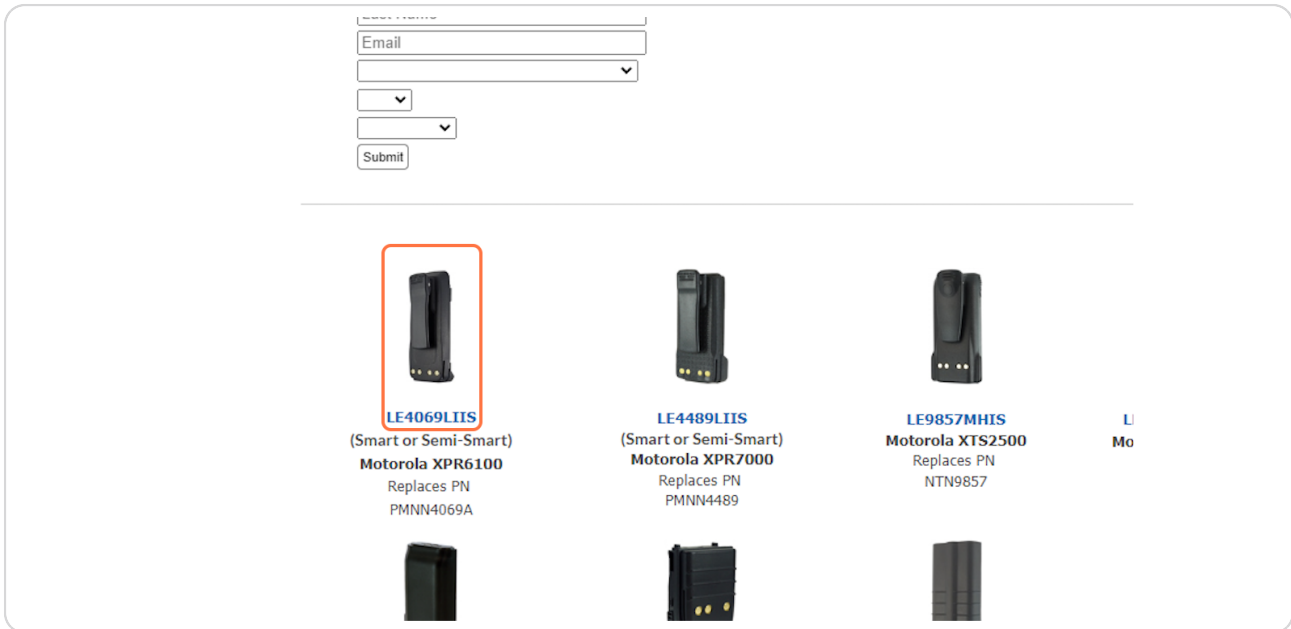

STEP 12

It will take you to an information page about that specific type of battery as well as show the available packs at the bottom of the page

STEP 13

To get more specific details on the battery, click on a battery to navigate to the product details

STEP 14

STEP 30

It will take you to the search results for the products you are looking for

The screenshot shows the Power Products website interface. At the top, there is a navigation bar with the logo and links for 'About Us', 'Customer Support', 'Government Sales', 'Become a Customer', and 'Contact Us'. On the right side of the navigation bar are buttons for 'My Account' and 'Cart'. Below the navigation bar is a search bar containing the text 'APX8000'. The search results section is titled 'Search Results' and includes a sub-header 'Two-Way Radio Batteries - PolyMax HPC'. Two product listings are displayed, each with a small image of the battery and descriptive text. The first listing is for a battery with a capacity of 3400 mAh and a part number of PM4486LIPIC. The second listing is for a battery with a capacity of 5100 mAh and a part number of PM4487LIPIC.
